

# Welcome to PowerSchool!

This program will replace Centerpoint. It is the new program to see your child's attendance, grades, class assignments, and school bulletin.

The screenshot shows the PowerSchool website interface. At the top, it displays the user's name 'Ahmann, Alexander J., 7' and the school 'LaSalle Middle School - Cedar Rapids Catholic Schools - Archdiocese of Dubuque'. A 'Logout' button is visible in the top right corner. Below the header is a navigation menu with icons for 'Grades and Attendance', 'Grades History', 'Attendance History', 'Email Notification', 'Teacher Comments', 'School Bulletin', 'Class Registration', 'Balance', and 'My Calendars'. The main content area is titled 'Grades and Attendance' and contains a table labeled 'Attendance By Class'. The table has columns for 'Exp', 'Last Week' (M, T, W, H, F), 'This Week' (M, T, W, H, F), 'Course', 'T1', 'T2', 'T3', 'Absences', and 'Tardies'. The table lists various classes and their corresponding attendance data for the current and previous weeks.

1. Enclosed is an index card with your Parent ID and Password for PowerSchool
2. Unlike Centerpoint – Powerschool uses a different parent password for each of your students.
3. You can **not** change your ID or your Password

## On this site you can see:

- Grades
- Class Assignments
- Attendance
- School Bulletin
- E-mail notification (you can sign-up to get e-mails for yourself)

**You will notice 8 buttons along the top of the screen – these will help you navigate the site.**

**1. Grade & Attendance** – this is the default screen. Here you will see your child’s attendance and grades here. For a detailed breakdown of a course grade, click on the link under the current trimester (ex: T1) for that course. This will bring you to a screen that shows the Section Description (where the teacher has recorded the class assignments or announcements). You will also see all of the assignments from that course, and the grades for each assignment. You can also click on the teacher’s name from this page to send an email to that teacher. (\*\*when you click on a teacher’s name – your default e-mail program on your computer will come up with the teacher’s address in the “To” section of the e-mail. If you do not have a default e-mail set up on your computer – see your service provider.)

**2. School Bulletin** – Click here to view a school wide bulletin where the office can list announcements, up-coming events, and need to know items for the whole school to view.

**3. E-Mail Notification** – Click this to set the PowerSchool program to e-mail information automatically to your e-mail address. You can choose the information you would like to receive and how often you would like to receive it.

**4. Class Registration** – This link is not currently usable or set up. Please do not use this link.

**5. My Calendars** – This is currently under construction – please do not use this.
