Holy Family Parents and Guardians:

“The annual Holy Family fundraiser will have taken place by the time many of you see this newsletter. It was held in the St. Jude parish center. A special thanks goes to Falcon Club Night co-chairpersons Jana Seutter and Colleen Janney, plus all the other people responsible for the evening festivities. It was a great Holy Family event! If you missed it, circle it on your calendar for next year. You won't regret it.

Catholic Schools Week was hectic but again very successful. The St. Ludmila soup supper and open house were very well attended with about 550 dinners served. For a change the St. Jude evening was not postponed because of a snowstorm this year. There was a huge crowd and they basically ran out of food at the very end. This was an excellent opportunity for our elementary schools to showcase their buildings. LaSalle did the same with “Celebrate LaSalle Night” on January 25th with a spaghetti dinner. We thank the show choir and director, Anne Ohrt from LaSalle for providing great entertainment at all three events.

There is a strong desire on the part of the Holy Family Board of Education to keep the cost of education as low as we can. The subsidizing parishes pay about 56% of our costs while third source income and tuition covers the other 44%. We trust you understand a \$100 increase in tuition was necessary with some of our parishes struggling due to the flood and the economy. Our tuition of \$2500.00 for next year is less than or comparable to all the Metro Catholic schools save St. Joseph of Marion. The thinking of our Board of Education is twofold: a balanced budget is a requisite and families needing assistance can get help from the STO program. We feel we offer the best education in Cedar Rapids and will strive to continue our efforts. Families who want a Catholic education and qualify as low or middle income should be able to get some significant assistance next year. We prefer for most of us to apply for the tuition assistance. The goal is that anyone wanting to be part of the Holy Family School System will be able to do so!

May God bless you and your family!

Holy Family System News

Dear Parent(s) and Guardian(s),

Included with this newsletter is the last of a five part series of parent information publications from the Office for the Protection of Children from the Archdiocese of Dubuque. The purpose of these publications is to help all of us be more informed of the issues and topics related to the abuse of children. It is our sincere hope that by partnering together we can continually provide the safest environment for all our young people to grow into healthy, Christ-filled adults. Please keep this final brochure in a handy place for your future reference. Additional resources can be found at the Virtus website at www.virtus.org.

The Office for the Protection of Children

Thank you to those who donated to Our Faith, Our Children, Our Future Tuition Organization. The Archdiocese raised \$3,792,000.00 and Holy Family had 38 donors that designated our schools for specific aid. For more information about the 2010 campaign or for tuition assistance, please visit our website at: www.OurFaithSTO.org.

Parents should request a PSAS form from school to apply for tuition assistance. STO qualifying income levels for 2010-2011 are:

Two	\$43,710	Four	\$66,150	Six	\$88,590
Three	\$54,930	Five	\$77,370	Seven	\$99,810

We are working to make Catholic education affordable for all. Please take advantage of these efforts by filling out the PSAS form. February 26th is the last day you can send your PSAS forms to our Business Office for us to look them over. March 15th is the final day to register online. We do not want these tough economic times to keep students from attending our Holy Family Schools.

For more information, please contact Mindy Coleman at 390-6512 or one of the building administrators: Rick Louk at 396-7792, Janet Whitney at 362-1943, or Ronda Krystofiak at 396-7818. May God bless you!

The 2010-2011 PSAS Tuition Assistance Applications will be available online beginning February 1st. If you are a new applicant you should call the Holy Family School Business Office (390-6512) to receive a paper application or go online to: www.psas.org and complete the online form. Make-A-Wish Fundraiser Update

Conner Ties, 6th grader at LaSalle, would like to thank those who attended last year's Make-A-Wish Fundraiser at LaSalle Middle School. The night brought in over \$5,000.00. It was a great way to celebrate Conner's 5th year as a Brain Tumor Survivor! One hundred percent of the proceeds went to grant a wish for a 12 year old boy in the Linn-Mar School District. He and his family went to Disney World in November. We would also like to Congratulate Conner. He was chosen by Make-A-Wish for the state of Iowa to receive the Children Helping Children Award! Thank you all again for being supportive of such a wonderful foundation.

St. Jude Physical Education News

We just finished up our basketball unit. The children learned how to dribble, pass, and shoot. Take them outside sometime and have them teach you to play the game 'Around the World'.

Currently, students are participating in our Jumping unit. Students will learn to jump using jump ropes, hula-hoops, and in other interesting ways. When you're at the dinner table, ask your child what and how they are doing!

Finally, on Friday Feb. 19th, please check your child's classroom take home folder. Important information about rollerskating is in there.

Until the next newsletter, God Bless!
