Delinquent Tuition

The nonpayment of tuition is a great concern to the Holy Family School System. We rely on the commitment of families to make Catholic education a financial priority by making tuition payments in a timely manner. Holy Family relies on tuition for a substantial portion of the budget to operate an excellent spiritual and educational program. Therefore, when tuition payment becomes delinquent it is a serious matter.

The following steps have been approved for implementation for dealing with delinquent tuition and fee accounts:

- When an account becomes past due, the family will receive written notification that their account is past due. It is the responsibility of the family to contact the business office or chief administrator within 15 days of receipt of the past due notice to correct the situation or make arrangements for electronic funds transfer (EFT) payments.
- When a concern arises on an electronic fund transfer account, the family will receive written notification identifying the area of concern (closed account, insufficient funds, etc.). It is the responsibility of the family to contact the business office or chief administrator within 15 days of the receipt of the written notification to correct the situation.
- A family with delinquent tuition will not be permitted to return for the following academic year until the balance is paid in full or an acceptable payment plan is established by May 15 of the current year.
- The chief administrator shall implement all alternative arrangements for payment of delinquent tuition in accordance with the provisions of this policy. The Holy Family Board of Education may pursue legal action against or require promissory notes from parents/guardians for failure to meet the provisions of this policy.

If you have any further questions about tuition and fee payments, please feel free to contact your local school office or the Holy Family Business Office (390-6512) at LaSalle Middle School.
